

## **CAS 764 Paper Presentation Rubric Criteria**

Below is a brief summary of the main criteria that will be used to evaluate your presentations as a Paper Presenter (PP) and as a Discussion Leader (DL). (This is not an exhaustive list of the marking criteria, but simply provided so that each presenter is aware of their key evaluation criteria.)

### **Paper Presenter (PP)**

- Speaking clarity
- Slide content: how effective do they help to convey your message and technical content
- Paper coverage: how well are the main points of the paper covered
- Technical depth and details
- Timeliness (not going over time, 20-30mins)
- Content is presented at a level suitable for the class

### **Discussion Leader (DL)**

- Speaking clarity
- Questions (level of difficulty, relevance, follow-on, breadth/coverage of paper content, sequencing)
- Effectiveness as a moderator
- External aids
- Class participation
- Timeliness
